What is the Losing it with Leo Competition?

The Losing it with Leo Competition is an employee health and wellness program that is similar to NBC’s hit television program, “The Biggest Loser”. Whether your goal is to make lifestyle changes or to lose those last stubborn 10 pounds, we encourage anyone who wants to shed a few extra pounds to join the competition.

The basic premise of the competition is each individual will be responsible to weigh-in on a weekly basis. Results will be calculated on your percentage of weight loss and not the number of pounds lost.

When does it take place?

The Losing it with Leo competition will be a 12-week competition. It will take place from August 22nd - November 11th.

What are the rules?

- Each employee who signs up for the program will commit to a healthier lifestyle over the next 12 weeks.
- Each employee will have to weigh in EACH WEEK at the Student Health Center. Listed below are the times* slots available to weigh in:
  - Monday 9am-12pm
  - Tuesday 1pm-4pm
  - Thursday 9am-12pm
  - Friday 2pm-4pm
- You will be allotted one week that you can miss a weigh-in. If you miss more than one weigh-in you can continue to be in the program but will no longer be eligible for grand prizes or the title of “Leo’s Biggest Loser”. Your weight for the week you miss will be entered as what your weight was for the previous week.
- The week of August 22nd, will be your first week to weight in. That will be your “starting baseline weight.” Try to make an effort to weigh in on the same day the following weeks.
- Results will be measured by the percentage of weight loss you lose every week. Winners will be determined by whoever has the greatest percentage
of weight loss over the course of the 12 weeks of the program. Your actual
weight will not be disclosed to anyone other than a member of the Student
Health Center.
• Results (percentage of weight loss) will be posted each week on the
Employee Health and Wellness SharePoint site and/or e-mail to participating
members.
