Psych Club makes happy Easter for Clarks Summit patients

Chocolate bunnies, Easter eggs, jelly beans, and other assorted holiday treats are the King's Psychology Club's way of giving the Easter bunny a head start and the patients of the Clarks Summit State Hospital a special treat. Preparing almost 100 Easter baskets were Psychology Club members, from left: Dana Chowansky, Justin Hall, Rachel Dumont, Desiree Mabra, Colleen Cappellini, Kristin Scully, Jamey Hourigan; and Dr. Jean O'Brien, professor of psychology.

17th All-College exhibition

The King's College Seventeenth Annual All-College and Variety of Media Exhibition will be on display in the Widmann Gallery of the Sheehy-Farmer Campus Center from April 4-May 1. A meet-the-artist reception is scheduled for April 8, from 2:30-4:30 p.m.

Members of the King's community are invited to display their original works: photographs, paintings, drawings, sculpture, crafts, and other artwork. In its seventeenth year, the event allows the entire college community to view and appreciate the artistic talents of their friends, colleagues, and peers on our own campus in our own gallery.

Widmann Gallery Coordinator Michelle Leonard will send a campus-wide e-mail with further information on joining the exhibition.

Panelists consider 'Integrity'

Integrity is a core virtue of the Catholic Christian and liberal arts educational traditions. The King's Ethics Center, in cooperation with the Moral Development Project Team, presents a panel discussion on "Integrity" on Wednesday, March 30, at 3:30 p.m. in the Walsh Room of the Sheehy-Farmer Campus Center.

The discussion features presentations by Dr. Greg Bassham, Dr. Tara Shawver, Dr. David Glick, Atty. Richard Shiptoski, and Student Government President A. Spencer Davis. Dr. Joel Shuman, assistant professor of theology, will moderate.

The "Integrity" panel discussions is a prelude to Brown Bag Lunch conversations addressing selections from Stephen L. Carter's book *Integrity* on Thursday, April 7 and Friday, April 15 from noon-1 p.m. in Room 109 of the Sheehy-Farmer Campus Center.

All members of the King's community are welcome. If you plan to attend the Brown Bag sessions and do not want to purchase the book, see Dr. Shuman for copies of the relevant pages.

Annual Fund kickoff 31st Community Phase

The kickoff luncheon for the Annual Fund Community Phase was held on March 16 in the Sheehy-Farmer Campus Center. Jim Bone, Jr., senior vice president, First National Community Bank in Dunmore, is chairman and leads a group of motivated men and women toward King's Annual Fund target of \$1 million. The Annual Fund is a student-focused drive that helps provide affordable, quality education through initiatives such as scholarships. The King's community is asked to join alumni, parents, clergy, and the community in making the 2005 Annual Fund campaign a success. Dr. Charlie Brooks is Employee Campaign chairperson. If you have not already pledged, or for information, contact the Institutional Advancement Office at ext. 5880.

Experiencing the Arts

Pennsylvania's Fallen

through March 31

A series of mixed-media charcoal drawings by Mary Vallero of soldiers from Pa. who have died in Iraq.

Widmann Gallery

Sheehy-Farmer Campus Center

Administration Building

Rheumatologist DeHoratius speaks on arthritis, March 23

On March 23 renowned rheumatologist Raphael DeHoratius, M.D., of Philadelphia's Thomas Jefferson Medical College, will discuss "The Many Faces of Arthritis" at 1 p.m. in the Sheehy Farmer Campus Center. Dr. DeHoratius' talk is sponsored by King's, the Arthritis Foundation, and John Heinz Rehab. A reception will follow his talk.

Dr. DeHoratius is the author of many books and articles, a number dealing with the results of his extensive and successful research in his field. A teacher, researcher, and administrator, he holds a number of impressive honors and awards.

Program sponsors for Dr. DeHoratius' discussion include Erwine's Home Health Care, Offset Paperback Mfrs., Forty Fort Eye Associates & Home Eye Care, and Mercy Health Partners. To reserve space at the lecture, please call Debbie Shaw at ext. 5700, or register online at www.kings.edu/arthritis.

Employees with dependents

Employees who have a dependent child attending King's College under the Tuition Remission program need to be aware that section 404.2 of the policy means they must claim their son/daughter as a dependent on their income tax form. Graduation also means benefits change: Any dependent children who are graduating from college are no longer eligible to remain as dependents under the King's College insurance contract. In order to remove a child who has graduated from your health insurance, or if you have any questions concerning tuition remission, please contact Erin Favata or Beth Ann Hill in the Human Resources Department at ext. 5922.

Do You Have News to Share with the King's Community?

Please e-mail your information to Public Relations Assistant Joseph Giomboni at: jrgiombo@kings.edu or call ext. 5957.

People at King's

Dr. Bernard J. Healey, chairperson of the Health Care Administration and International Business programs, had published "The Role of Social Marketing in Understanding Access to Primary Health Care Services: Perceptions and Experiences" in *Health Care Marketing Quarterly*, and "Improving the Health Status of U.S. Working Adults with Type 2 Diabetes Mellitus" and "National Performance Measures for Diabetes Mellitus Care" in *Implications for Health Care Providers*.

Dr. Terrence Mech, director of the D. Leonard Corgan Library, participated in the Middle States Commission on Higher Education evaluation visit to Houghton College, New York, from March 6-9.
