

Waiver of Retirement Benefits

Date: _____

I, _____, having been made aware of the terms of the retirement plan at King's College, and the benefits available to me thereunder, hereby voluntarily waive all rights to retirement benefits since I do not wish to participate in the program by contributing the required portion of my salary to the program.

I understand that this waiver remains in effect until such time as retirement is mandatory according to the College's Retirement Resolution. However, I fully realized that no payments will be made retroactively by the College on my behalf.
